

DENSO

INSTALL A 160,000 KM PLUG

EARN A CUSTOMER FOR LIFE

When you install the spark plug with more power, torque and L/100KM, all while lasting over 160,000 kilometers, you're bound to earn the undying devotion of your customers.

POWER

The Iridium TT's revolutionary 0.4 millimeter centre electrode means less interference to spark growth, fewer misfires, and significantly improved combustion – optimizing power output like never before.

ECONOMY

Invented by DENSO, the Iridium TT Twin Tip Technology delivers more complete combustion, allowing for larger spark concentration and explosion, which translates to more superior fuel economy.

ENDURANCE

The unparalleled Iridium TT is the only spark plug tested to well beyond 160,000 kilometers, with zero loss to performance, contributing to more overall lifetime savings than any plugs available today.

**Rislone Radiator Stop Leak
Concentrate**
31197

Works with ALL types of
antifreeze coolant and/or water.

- Stops & Seals Coolant Leaks
- Seals Leaks in Radiators,
Gaskets, Heater Cores &
Freeze Plugs.

Rislone Power Steering Repair
34650

- Stops Slipping
- Prevents Lazy Shifts
- Reduces Rough Shifting
- Stops Shudder, Chatter and Whining
- Reduces Friction

Rislone Gasoline Fuel System Treatment
34700

Works with all Fuel Injected, Direct Injected, and Carbureted
Engines.

- Increases power, performance, mileage and saves gas by
cleaning & lubricating the complete fuel system.
- Helps eliminate noisy injectors & fuel pumps, rough idle,
hard starting and hesitation.

Rislone Injector Cleaner with Fuel Conditioner and Treatment
34701

High performance additives maximize power, performance, kilometers and help save gas
by cleaning & lubricating fuel injectors.

- Regular use, summer and winter, maintains optimum engine efficiency and power.
- Smooths rough idle and eliminates hard starts giving cleaner, quieter operation.
- Cleans fuel injectors, increases kilometers and saves on high fuel costs at the pump.
- UCL, Upper Cylinder Lubricant, helps prevent cylinder, ring & piston wear along with
lubricating valves & guides giving longer engine life.
- The Fuel Conditioner & Treatment protects and lubricates all parts of the fuel system
including the fuel pump and injectors allowing more power & performance.
- Use with all gasoline, flex fuel, E10 E85 ethanol, bio & diesel fuels.

Wheel-Style Starter/Charger
SF-3000

200 amp 80 amp 60 amp 44 amp 30 amp
Charges a variety of batteries: 6, 12, 18 and 24 volt. With this charger,
the user no longer needs to separately charge 18 and 24 volt batteries.

Wheel-Style Starter/Charger
200 amp 40 amp 10 amp 2 amp
SF-4022

This charger gives fleet operations, D-I-
Y'ers and professionals a wide range
of charging rates, an engine start rate
and the ability to analyze electrical and
starting system problems. For 6 and 12 volt
batteries. Fan cooled.
