Itinerary

DAY 2 / THURSDAY, MAY 01

SANTORINI, GREECE

With dramatic views of classic whitewashed houses clinging perilously to the side of the caldera and stunning beaches of white and red sand or black pebbles, it's no wonder this may be the most photographed scenery in the world. Visit Ancient Akrotiri, the archeological site of a town frozen in time by ash from an eruption 3,600 years ago. Also worth a day trip is the Volcano of Santorini Palea (old) Kameni and Nea (new) Kameni , two small islands of black lava positioned in the centre of the basin of Santorini.

DAY 3 / FRIDAY, MAY 02

RHODES, GREECE

Renowned as the site of the former Colossus of Rhodes, one of the Seven Wonders of the Ancient World, Rhodes was home to the Knights of St. John from the 12th to 16th centuries. Their famous Palace of the Grand Masters remains a "must-see," as are many of the inns occupied by the Crusaders and the replica of the old church. For a more in-depth look at the city, visitors can take in the Archeological where the Acropolis of Rhodes and the ancient stadium offer perfect photo opportunities.

BODRUM, TURKEY

Located in the southwestern corner of Anatolia, Bodrum is a seacoast town in which sleek yachts are anchored in twin bays beneath the walls of a medieval Crusaders' castle. The town owes its fame to a man long dead (Mausolus) and his famous "Mausoleum," one of the Seven Wonders of the Ancient World. Bodrum's other claim to fame comes from Herodotus, the "Father of History," and the first person to write a comprehensive world history of the West.

DAY 5 / SUNDAY, MAY 04

EPHESUS (KUSADASI), TURKEY

Europe's classical metropolis, Ephesus, was one of the largest cities in all of the Roman Empire, boasting one of the Seven Wonders of the Ancient World, the Temple of Artemis. Explore the ruins of its massive Theater, the Temple of Hadrian and the magnificent Celsus Library
