Truck Bed Liner

The tough, textured polyurethane formula is chip-, fade- and impact-resistant, and adheres to metal, fiberglass, wood and numerous other surfaces. The spray is great for touch-ups, cutting in before applying roll-on Herculiner, or protecting hard-to-reach areas like undercoatings and wheel wells. From front grills to back bumpers and any surface in-between, Herculiner provides permanent protection to keep things watertight and rust free.
